

# Information Charter Frontline Messenger

FrontlineMessenger is a ministry of evangelization and humanitarian support officially recognized since 2015 under the French law 1901 as a non-profit association.

## THE THREE AXES OF THIS MINISTRY ARE:

- • *Evangelization outside & through internet*
- • *Support of local Adventist churches*
- • *Humanitarian & social support*

The actions carried out by the Frontline Messenger Ministry are not restricted by the territorial borders that we strive to cross constantly in order to share the gospel with all peoples.

We are convinced that the only solution to the suffering in this world is Jesus Christ, our Lord and Savior. Our mission is then to share this good news without limit, using all the means that the Lord puts at our disposal, and with your support.

Our missionary team is made up of several missionary leaders, who are then responsible for the execution and management of several local Adventist missionaries in each territory where we are present, in order to organize the actions of the ministries in the country with the team in place, and collaborations. with the Adventist institutions and leader of the country.

The Frontline Messenger Ministry is recruiting Seventh-day Adventist members to extend the work that the Lord gives us on earth, you can contact us by mail or phone if you want to know more about our missionary needs, as well as about the missions organized in different countries of the world by the grace of God. (contacts at the bottom of the site)

You can support us with your donations and prayers, namely that the association Frontline Messenger is entitled to issue a tax receipt, for each donation made, on request.

\*(be sure to keep dates / amount for each donation you have sent to the association). God's call to meet him, to worship him, and to serve him, and for all of us on earth, let us then be active members to the glory of God, working together for the salvation of souls.
